Toronto, On

Dear Mr. Schmidt:

I would like to take this opportunity to thank you for inviting me to attend the Inventors College Organization Workshop at Holy Trinity High School in Simcoe.

I greatly enjoyed attending and was pleased to see so many inventions displayed. I would strongly encourage more students to learn and grow by taking part in the workshops. I know the students who participated will leave more confident in themselves and their skills. What a fun and great way to open up the world to our young people.

Once again, my congratulations to the organizers of this truly unique workshop, you have made a profound impact on many lives.

Sincerely,

Toby Barrett, MPP
